DECIDUOUS — AZALEAS

Deciduous Azaleas are the aristocrats of shrubs. Attain a height of 4 to 6 feet, splendid plant characteristics, foliage, and profusion of bloom in shades not available in other Azaleas. Adapt themselves in most soils, are of unquestionable hardiness.

Despite these excellent qualities, waned in popularity in recent years, due to careless abuse of locations. Where persistent foliage is not a factor such as foreground to shrub border or group plantings, etc. in garden, are appropriate and rewarding with incomparable lavish color effects. Due to our large supply, we are offering bushy well budded plants at drastically reduced prices.

AZALEA Exbury Hybrids (Exbury Azalea)

Of recent introduction, large flowers in striking colors, artistically formed in Pink, Red, White, and Yellow shades in bloom late May, hardy.

	1-9 Each	10-24 Each

24 to 30	in. B&B.....	5.00	4.75

Mentor Dense (Introducing)

Semi dwarf and compact, with numerous short upright branches of uniform growth, attains a height and width of 2 feet at an age of 10 years. Its compact and uniform character of growth, requiring the minimum of trimming, make it an outstanding plant for medium size evergreen hedge. Hardy.

8 to 10 in.	B&B.....	1.75	1.65
12 to 15 in.	B&B.....	3.50	3.25
15 to 18 in.	B&B.....	4.00	3.75

Mentor Glossy (Our Recent Introduction)

Informal in character of growth, thickly branched into the center of plant, lustrous dark evergreen convex foliage radiates a sheen of brilliance. Vigorous in growth, attains a height and width of 3 feet at an age of 10 years. Extremely hardy in comparison with parent, Ilex Cr. Convexa. Its very attractive foliage plus extreme hardiness make it a very desirable plant.

15 to 18 in.	B&B.....	3.75	3.50
18 to 24 in.	B&B.....	4.25	4.00
24 to 30 in.	B&B.....	5.50	5.25

Rotundifolia (Roundleaf Jap. Holly)

A evergreen, of formal upright habit, smooth foliage, tolerant of semi shade and adverse soil conditions, hardy.

12 to 15 in.	B&B.....	2.25	2.00
15 to 18 in.	B&B.....	3.00	2.75
18 to 24 in.	B&B.....	3.75	3.50

Opaca (American Holly)

The admired tree with a symbol of Christmas. Old in cultivation, but of recent interest, in our locality. Its bold plant character and attractive broadleaf evergreen foliage, interspersed with Red berries in the fall is breath taking. Hardy and outstanding as specimen or tall hedge. Male plants are necessary to effect pollination of female plants.
